Daly City Record

DALY CITY, SAN MATEO COUNTY, CALIFORNIA. Published Wednesday Wednesday, Nov. 26, 1941 VOL. 37, NUMBER 42

She Thinks Colma's Been 'Done Wrong'

(Editor's Note:—Even in this time of world crisis, large and small newspapers throughout the United States are still championing America's traditions of free speech and free press. The Daly City Record is proud to be a member of such a fraternity.

Consistent with such policy The Record from time to time publishes a sencere local opinion or grievance. Below is one such letter addressed to The Editor.

Daly City Record editorial opinion does not necessarily agree with Margaret Pauline Brown's statement that "She" (Colma) has been stabbed and jabbed—fore and aft . . ." But we do agree, if this letter is a criterion ". . . there's a lot of life in the old girl yet.")

Editor of The
Daly City Record:
Dear Sir:

In your last issue of the Daly City Record, Nov. 19, there appeared an article announcing the change of the name of the City of Lawndale to Colma City. In the middle parapraph of this article there is a gross misstatement.

It reads as follows: "Since that time the original Colma has been incorporated into Daly City, which was a secondary reason for voting to change the name of Lawndale to Colma."

The statement that Daly City has absorbed the original Colma is untrue. Daly City's last annexation did include the comparatively recent business section of Colma, which covered only a small part of the old town of Colma,. The object of that annexation was of course to acquire as much taxable property as possible—hence the jagged octopus-like southern boundary line of Daly City.

The old school house and the Catholic church built in the 1860's, and the old Thornton, Dunks and Pierce homes are still standing in their original places which are south and west of Daly City's boundary lines. Colma unincorporated area still includes 615 acres. Its population is 1409. Its registered voters number 587. The following facts about Colma unincorporated may interest you. Services are held regularly in the old Catholic church, now

Feline Aristocrats To Compete In Show

Daly City will be well represented at the San Francisco Cat Show, scheduled for Saturday and Sunday, November 29 and 30. The event will be staged at Larkin hall, Civic Center, San Francisco.

At the show, held in February, over a dozen beautiful pets were entered from this community. Each one of the entries returned home with a prize.

Many local cat lovers will again enter their cats. The show is open to the public and everyone is invited to view the beautiful feline aristocrats.

The show is a semi-annual event and has cats competing for prizes from all over the United States.

Results of the show will be announced in next week's paper.

Army Doctors Examine Draftees

Draftees from the Daly City draft board 103 will take their physical examinations before an army examining board in future inductions, it was announced by the local draft board, this week.

The advance physical checkup by army doctors, an innovation in the plans of the selective service boards in the state, will be introduced at the December 5 induction in San Francisco when a contingent of eight Daly City registrants will be a part of the selectees examined.

The plan was devised to eliminate rejections at induction sta-

(Continued on Page 5)

Local Woman Killed

Level Charge Of Negligent Homicide Against Driver

Drunken driving took the life of Mrs. F. A. Busse, 246 Miriam street, 79 year old Daly City woman, Friday evening, when she and her grandson, William Johnson, 32, were struck down at the intersection of Mission street and Westlake avenue.

The accident occurred at 6:20 p. m. as the pair was alighting from a southbound streetcar. Mrs. Busse was rushed to Junipero Serra hospital by ambulance, and died at the hospital at 9:50 p. m. Johnson was taken to Villa hospital and treated for lacerations of the foot and a concussion.

The driver of the machine, John Frederick Bertelsen, San Bruno laundry truck driver, was believed to have driven over the safety zone, striking the two within the safety limits. Bertelsen was arrested by the Daly City police, and Chief of Police James G. Reardon conducted a sobriety test on Bertelsen.

Bertelsen was found under the influence of liquor, and was charged with drunken driving and negligent homicide, according to Deputy District Attorney Buress Karmel. Bertelsen was released on a $250 cash bond. He will appear before Daly City police court at 3:30 p. m., Friday.

Upon questioning by police immediately after the accident, Bertelsen was unable to tell what

(Continued on Page 2)

F. B. I. To Conduct Defense Course

Federal instructions for civilian defense will be introduced when local delegates from the Daly City Disaster Preparedness and Relief Committee attend a six day field course supervised by the Federal Bureau of Investigation in San Francisco next month.

Arthur J. Bodien, chairman of the local committee, was advised by the San Francisco council that the course will be held at the University of San Francisco early next month. Bodien will attend the six day classes with Chief of Police James G. Reardon and a number of Daly City police officers.

First aid instructions are expected to get under way after the first of the year. The present enrollment list numbers 25, and registration is still open. The committee urges volunteers desiring to help the program to reg-

Daly City Shudders At Daily-Double

(Editorial)

Great is the thrill of joy at a daily-double when it means cash winnings! Greater is the shudder of sorrow when a daily-double means maiming and killing simply because of carelessness on the highway.

Two weeks ago The Record carried a story of Warren Roath, 10 year old local boy, who was struck on Mission street. Last week a young man, Robert Mikesell, was struck on San Jose avenue. This week Daly City is improving—not just one person hurt each week, but one killed and one injured on Mission street. Keep this rate up and we'll soon have a daily-double or better from one Monday through the next.

Whose fault? Little matter after a victim lies in a hospital bed or coffin. But there are some basic causes for accident, particularly to pedestrians, which could be corrected. Daly City Record has published a number of these corrective measures before, and we do so again:

1. **Tighten the vigil on careful driving.**
2. **Continuously promote a comprehensive program of pedestrian education to incorporate an old adage, "Stop, Look, Listen."**
3. **Solve the mechanical problems of improper parking, haphazardous turning, dangerous crossing.**
4. **Form a local traffic safety committee and charge it with the responsibility of carrying out this program.**

So long as these things are not done—so long as there is fast and careless driving, so long as men and women reel drunkenly across streets or behind steering wheels, so long as youngsters dash into streets without looking—just that long are we going to progress toward our daily-double of highway killings and maimings in Daly City.

Santa Claus Has Money To Spend!

Santa Claus will be feeling pleasantly affluent at Christmas time, this year, if the report of Christmas Club totals at local banks is any criterion.

The Daly City branch of the Bank of America announced that nine hundred members of the Christmas club in Daly City will receive checks totalling $49,121.-78 on December 1. This figure is well over 15 per cent greater than last year's report of members' funds.

The Colma branch of the Bank of America reported a total of three hundred members, netting a total of $18,000, as compared with last year's total of $15,000 to 250 members.

"Bundle From Heaven" Was In A Big Hurry

A baby girl decided not to wait for the ordinary procedure, early Sunday morning, and was born to Mrs. Carrie Emerson, 179 Peoria street, Daly City, while enroute to the hospital in the Junipero Serra hospital ambulance.

Stan Crane, operator of the ambulance, called for Mrs. Emerson at her home for the trip to Children's hospital early Sunday morning, and the baby was born at 3:25 a. m.

The birth took place near the corner of Nineteenth avenue and Judah street, San Francisco. After the birth, the mother and her new daughter continued to the hospital in the ambulance. Both are reported to be doing fine.

Harland Ferrando Makes All-P.A.L. Team

Harland Ferrando, Jefferson high's ace fullback, has been named on this season's All-P.A.L. second team. The group is selected by sports writers of the Peninsula, and includes outstanding players from all schools in the Peninsula Athletic League.

Ferrando was one of the chief sparkplugs on the Jefferson team during the past season, and accounted for many Indian touchdowns. An excellent passer, Ferrando, with Bob Dyer, made up a scoring combination that became very effective during the latter stages of the grid season.

Ferrando was Jefferson's lone representative to share the honors of the league.

Daly City Sends Eight Into Army

Answering the call from the local draft board, eight men from the Daly City area will be inducted into the United States army in the nineteenth call, December 4.

The following is the list of selectees who will report to the San Francisco Armory: Kendal Timothy Van Pelt, 348 San Diego avenue, Daly City; Edward Percy Hazelhurst, 145 Parkview avenue, Daly City; Paul Puccini, 289 Miriam street, Daly City; Albert James MacCarthy, 365 Bellevue avenue, Daly City; Alva Leon Fisher, 4 Garden lane, Colma; Albert Andrew Silicani, Werner avenue, Colma; Walter Kulahov-

Bringing the victory plaque of the axe to Daly City, the Jefferson tribe, pictured above, stormed the South San Francisco Warriors camp on Thanksgiving Day and scalped the Warriors by a score of 20 to 6 in a seventeen-year-old football rivalry.

Council Sells Improvement Bonds To Bank of Am.

Daly City's city council accepted the bid of the Bank of America, Rincon Annex, for the purchase of Daly City's fire department improvement bonds at the regular meeting of the city council, Monday night.

Prior to acceptance, several other bids were read to the council. A resolution was adopted authorizing the sale of the bonds, which have a par value of $39,-800.

With the reading of communications, the council moved to grant permission to the American Advertising Company to erect a sign on Junipero Serra boulevard. Upon conferring with the advertising agency, Councilman Edmund Cavagnaro stated that the erection of the sign would improve the district considerably, since the advertising agency agreed to clear the ground of the rubbish which is in the vicinity of the site.

A proposal to meet with civilian defense committees of Daly City, South San Francisco and San Bruno was brought before the council. The council expressed a desire to become more fully acquainted with the function of the defense committees. Arthur J. Bodien, chairman of the local Disaster Preparedness and Relief committee, was instructed by the

(Continued on Page 12)

Hurry -- Join The Red Cross Now

With a goal set to meet the highly increased quota, the Daly City membership drive for the American Red Cross has entered the final week of action. The drive ends, Sunday.

Under the direction of Mrs. Clarence Page, chairman of the drive, the committee announces to residents of Daly City that there is still time to join the rolls of the Red Cross in the community.

Since the Red Cross is needed to carry on its work to a greater extent than ever in the world today, it is hoped that a large response will be reported at the end of the drive, according to Mrs. Page.

Mrs. Page announced that any citizen who has not been contacted and desires to enroll with the Red Cross, can do so by calling her at ELkridge 1271.

San Mateo county Red Cross officials set for Daly City this year a quota of 15 per cent of the total population. The group last year cleared $441.

The county quota was set for 10,470 members.

An Invitation

"Life in the United States Navy" and other exciting moving pictures are on the program for Thursday evening, December 4, when all local young men between the ages of 17 and 31 will be entertained at a party at American Legion hall, 474 San Diego avenue.

Motion pictures, speakers and other program items are to be furnished by the United States Navy. Daly City Post No. 410, American Legion, and Old Glory Post, No. 2044, V. F. W., have been invited to act as co-sponsors for the party. Comment from members of these organizations has been enthusiastic. Official action will be taken by both groups this week.

Object of the party is to inform eligible young men of the advantages afforded in the navy for training, pay, and adventure.

101 SCOUTS PLAN FATHERS' NIGHT

Saturday is the big night!

This is the time when once a year the Boy Scouts, Cubs and Explorers of Troop No. 101 fete their dads at a supper.

The time has been set for 7 p. m. at Masonic hall. The boys will serve their fathers chicken pies, cake, coffee, milk and ice cream —a feed fit for a king.

Guest speaker at the dinner will be John Tilden, chief of the San Francisco council. His talk will be on the companionship between father and son.

After the banquet the Explorer Scouts will put on a mystery comedy called "And the Lamp went Out." Members of the cub pack and scouts will also put on entertainment for their dads.

Following the entertainment, several of the boys will receive awards. Robert Coughlin will receive his second class and Billy Nassano, first class. Three boys, Bob Desmond, John Savage and Howard McCarten, will receive their tenderfoot badges. Several other boys will also receive awards.

The committee in charge of the evening extended a cordial invitation to all the boys who have graduated from the troop and their fathers to attend. "We want to again invite all the fathers of the boys to attend," the committee concluded.

Local Woman Killed By Car

(Continued from Page 1)

happened. He later told the district attorney's office that he did not see the pair at all. Bertelsen stated that the first thing he knew of the accident was when he felt a bump, and saw the woman lying on the street, but did not see Johnson.

The injuries to Mrs. Busse were compound fracture of one leg, a bad fracture of the other leg, deep lacerations in the head with a possible skull fracture, and chest injuries.

Although Mrs. Busse was the sixty-seventh person to meet death by automobile accident in 1941 in San Mateo county, the accident was the first fatality of its kind in Daly City since April 28, 1940.

Funeral services were held Monday afternoon at 1 p. m. from the W. C. Lasswell company. Enurnment took place at Cypress Lawn cemetery.

Mrs. Busse has resided in Daly City for the past ten years. She was employed as floor lady at the San Francisco Casket company.

She was the mother of Gertrude Mendenhall, Fred Foorman, of Eaton, Indiana, and the late Mrs. Edith Goodwin. She is also survived by her grand-daughter, Miss Eugenia Rich, of Daly City.

Admit Tractor Parts

France will admit tractor engine parts into the country at reduced duties if they are to be used by farmers.

LIGHT OPERAS ON THE HORIZON

Beautiful Rosemarie Brancato, shown left, who will star in the Tivoli Theatre Civic Light Opera Productions coming to San Francisco for a seven-week period starting Nov. 25. Miss Brancato, sensational coloratura soprano of the Chicago Civic Opera, is youthful and highly talented. She will be heard in Rudolf Friml's "Firefly" and take the leading role in "Merry Widow." Right is shown Virginia Carr, beautiful singer, who will also star in the elaborate productions. "Babes In Toyland", and "Hit the Deck", both big successes, will also be heard in the series, one of the most outstanding to come to San Francisco.

Milo's Market Keglers Tie With Sheriff's Office For Second Place

Winning three games in league play, Friday, Milo's Market bowling team boosted their standings from a third place tie to a second place tie with the Sheriff's office. Milo's defeated the Daly City Cleaners, bringing their percentage to .576.

The Lions club shook off a losing streak by winning from Conci's Shell Service 2 to 1, while Universal still is in first place by defeating the Sheriff bowlers by a 2 to 1 score. Curry's Barbers defeated the Eagles by a 2-1 score.

This week's schedule pits Curry's Barbers against the Lions club in alleys 1 and 2; Conci's Shell Service against Eagles in alleys 5 and 6; Universal against Milo's Market in 3 and 4, and Daly City Cleaners against Sheriff's office in alleys 7 and 8.

The standings:

Team	W	L	Pct.	High Single	High Series	Team Avg.
Universal Press	21	12	.636	859	2442	743
Milo's Market	19	14	.576	930	2584	786
Sheriff's Office	19	14	.576	980	2692	814
Colma Vista Grande Eagles	17	16	.515	905	2477	744
Daly City Cleaners	16	17	.485	912	2510	737
Conci's Shell Service	16	17	.485	882	2532	787
Curry's Barbers	14	19	.424	876	2490	780
Daly City-Colma Lions Club	11	22	.333	872	2563	687

Museum for Youth

Since the modern youth section of the Illinois State museum was opened in Springfield recently, the usual "Hey, Mom, what's that mean?" approach of juvenile museum visitors is going out of use. For the new branch has been designed throughout to promote the imagination and to brighten the intellect of boys and girls by presenting natural history displays in a way comprehensible to them. Simple, uncrowded displays in specially made cases, together with simply worded labels, go a long way in this direction.

Diversified Ownership

One of the largest American oil producing companies supplies 21,000 retail outlets, yet it owns and operates but six of these filling stations, Axtell J. Byles, president of the American Petroleum institute, reports.

Daly City-Colma Lions Meet At Noon Today

Daly City-Colma Lions will take up regular business of the organization today at noon when the club meets at Hilltop Lodge for the weekly luncheon.

It was announced by the local service club that a joint meeting of San Francisco, Marina, West Portal and Daly City-Colma Lions will be held at Colonial Inn, next week. The meeting will be held in honor of the district governor, Dr. Curtis Swallow.

Cigarette Tax

Revenue stamps attached to cigarette packages yield up to $400,000,000 a year to the United States government.

ABOUT TOWN - - -

Howard Phillips, Colma, and Evelyn Howard, San Francisco, were issued a marriage license in San Francisco last week.

Mr. and Mrs. Luigi Ferrari, Daly City, are the proud parents of a son born, November 13, in San Francisco.

Claude C. McKinley, San Bruno, and **Ada L. Christiansen,** Daly City, were issued a marriage license in San Mateo county, last week.

Daly City Theatre To Feature Smart-Set Comedy

Scrambled loves and bewildered lovers provide hilarity in "When Ladies Meet," Metro-Goldwyn-Mayer's four-star picture with Joan Crawford, Robert Taylor, Greer Garson and Herbert Marshall, coming tomorrow to the Daly City theatre.

In the story Taylor loves Miss Crawford, who becomes infatuated with the suave Marshall. Taylor arranges for Miss Crawford to meet Miss Garson, not knowing that she is Marshall's wife. When the two women become fast friends, Miss Crawford confides her romance, whereupon hilarious happenings come thick and fast.

Amid the trials and tribulations of Marshall, who discovers he loves his wife and that she is leaving him because of his affair with Miss Crawford, runs one comical development after another.

Robert Z. Leonard directed, and he and Orville Dull produced the picture, adapted from the famous Broadway stage hit by Rachel Crothers. Spring Byington, who created the stage role of Bridget in the play, repeats it in the picture.

Companion feature on the new bill will be "Secret Evidence" with Marjorie Reynolds and Charles Quigley.

Stellar Threesome In Daly City Theatre Hit

Hearts beat in three time when Joan Crawford, Robert Taylor and Greer Garson get together in M-G-M's "When Ladies Meet," romantic comedy-drama, opening tomorrow on the Daly City theatre screen. Based on Rachel Crothers' New York stage hit, the picture also stars Herbert Marshall in one of the most imposing casts of the year.

Dog Stays On

Frank Brusewitz has retired as station agent for the Great Northern railroad here but his faithful dog, Terry, carries on. Terry reaches the station every morning at 7:30 o'clock, meets all passenger trains and then trots to the post office and bank—a routine he followed with his master for years.

Longest River

The Mississippi-Missouri, generally considered one river by geographers, is the longest in the world. From the fountain-head of the Missouri, in the Rockies on the southwest border of Montana, its total length is 4,221 miles. From the source of its other branch at Lake Itasca in northern Minnesota, the so-called Mississippi proper is 2,553 miles long. The second longest river is the Nile, 4,000 miles from its remotest headstream, the Kagera, which flows into Lake Victoria. The Amazon river in South America has the greatest basin—2,772,000 square miles.

CYPRESS CIRCLE HOLD WHIST TONIGHT

Members of Cypress Circle No. 14, U. A. O. D. will hold their regular monthly whist, this evening, at 8:30 p. m. Playing will be held in Colombo hall, Colma.

Mrs. Margaret Varni and Mrs. Janet Fellman will be in charge of the card playing.

There will be a cash first award along with many other lovely prizes, announces the committee. The ladies cordially invite the public to attend. Price of score cards is nominal.

The ladies announce that plans for their annual Christmas party are well under way. The event will be held some time in December.

Miss Phyllis Olsen Bride of R. Hosking

Miss Phyllis Olsen, San Francisco, became the bride of Ronald Hosking, San Francisco, at a quiet ceremony, Tuesday, November 18. Reverend Clive M. Saiz, Jefferson Union high school instructor, officiated at the ceremony.

The young couple exchanged their nuptial vows at 4 p. m. in Reverend Saiz's Mission circle apartment. Eileen Daly and Mickle Barling were the two attendants.

The former Miss Olsen is a sister of Mrs. Kenneth Franzen, who is well-known to Daly City's social circle.

Family Cowpunchers

"Packsaddle" Ben Greenbough of Red Lodge, Mont., claims to have the bronc-ridingest family in the United States, declares the American Magazine. His two sons and two daughters go the rounds of about 25 rodeos every year, and consistently rope in the championship prizes.

Studebaker Swings Into Defense Work

One of the West Coast's big automobile plants, the Los Angeles factory of the Studebaker Pacific Corporation, has swung into defense production, is already turning out parts for fighting planes, and soon may be making shells, bombs, bomb fuses or even guns and army trucks.

This fact, tentatively shielded as a "military secret" until the work actually got under way, has just transpired here in the disclosure that Wallace T. Miller, formerly of Detroit, has been appointed "defense liaison representative." Miller, according to Stanley Whitworth, vice president in charge of production, will act as contact man between the Studebaker factory and various airplane plants of the West Coast.

These plants, for which a newly-fitted-up defense division of the local motor car factory is already turning out airplane parts, include Vega, Douglas, Interstate and Lockheed.

The major part of the Los Angeles Studebaker plant manfuctures cars for distribution in Utah, Idaho, Nevada and Arizona, in addition to the three Pacific Coast states of Washington, Oregon and California.

Fire Drill Shows Men On Alert

Companies 2, 3, and 6 of the Daly City Fire department proved to be on the alert, Wednesday evening, when Fire Chief A. P. Chesney and Assistant Chief Arthur J. Bodien ordered a fire drill.

Site of the supposed "fire" was near the corner of Mission and Como streets, at a row of shacks, some of which have been discussed by the city as possible condemnation subjects.

Chief Chesney reported that the first stream was laid on the "fire" inside of three minutes. Four lines were laid inside of five minutes.

Thirty-two men from the three companies participated in the drill. The drill was followed by a discussion at Company 6 firehouse, in which Chief Chesney and Assistant Chief Bodien offered constructive criticism to the group. Refreshments were served by Company 6.

A similar workout is in store for Companies 1, 4, and 5 tonight when a drill is scheduled for a site near Templeton avenue and Hanover street.

Army Doctors Examine Draftees

(Continued from Page 1)

tions. Registrants are now directed to stations where army doctors conduct a combined primary and final physical examination. Following the test, the registrants will return to their homes, and are advised by the local board of the results of the examination.

Under the new examination system, it was pointed out by the board that such a procedure assures a registrant almost certain induction, and removes the former inconvenience to the registrant who, after passing the initial physical test, is turned down by army examiners after he has severed civilian ties. The plan is expected to be of benefit to the registrant in as much as time allotted between physical examination and induction date can be used in closing business and personal affairs.

It was also pointed out that the complete checkup by civilian doctors has been eliminated, and only a simple physical inspection is required for local board physicians.

Represent Daly City At Recreation Meet

John J. Fahey, mayor of Daly City, took part in the panel discussion at the meeting of the San Mateo county recreation departments in San Mateo, Wednesday evening.

Fahey and Councilman Edmund Cavagnaro represented the city council of Daly City, and the Daly City WPA Recreation department was represented by Mrs. Marie Burton, local director, and Mrs. Alice Hillerich.

The conclave was attended by more than one hundred recreation department supervisors and members, and every center in the county was represented.

The panel discussion, San Mateo county's third, was taken up with many problems of the present recreation program and its relation to the changing conditions in the nation today.

Considerable time was devoted to the meaning of recreation and its possible benefits to the city and county welfare.

BOMBER!

By Carl Sandburg

Commentary for the Defense Film, "Bomber," Produced by the Office for Emergency Management

BOMBERS

One American factory—one of many—
One bomber—thousands on the way.
An angel of death—
Death to those who mock at free peoples,
Death to those who tell the world they are out to wreck the American democratic system.
Hundreds here—thousands—tens of thousands on the way.

TEST FLIGHT

Every part tested—every piece of metal tested—
Every bolt, rivet and welded seam—tested under the pressure of combat conditions.

Off the ground now—for the first time as a complete fighting unit.

Power—power to travel far, dump her bombs and return.
Power to say, "I can outfly and outfight any pursuit ship now fighting over Europe. I am the strength of the people of the free world!"

MEN, MACHINES, AND MATERIALS

Here, you get her insides—aluminum alloy—light and strong—
Steel, copper, brass—a dozen other metals
Put together like a fine watch.

Wings made strong to hold her high in the air while she delivers—
Each wing built to take all the pounding a super-powered motor can give it.

Here is the fire bath, where the bombers begins to grow.
Born in fire to fight fire with fire.

She is going to have the guts, wind, stamina, to fight and deliver death—a bellyful of it—to those who are asking for it.
Made of metals tempered and strong—
Woven together—strong—
American mass production, American knowhow.....
Hands with knowhow ..... minds with American knowhow.....
These workers—these riveters, welders, drillers—
All these craftsmen have pride, a genuine pride in their share—their participation in the titanic job we call "National Defense Production".

ASSEMBLY

Parts—more than twenty-five thousand for each ship.

Parts stacked up, waiting to be assembled and woven into a living destroyer traveling the sky.

We are taking these parts—weaving them into a thing that breathes and lives....
Breathes with the Spirit of America
That says, "Don't tread on me."

Made to stand heavy toil and struggle—
Made to stand shock and storm and heavy travel.
Ready to flank and outflank the enemy.
Packing enough power to climb over the highest anti-aircraft barrage.

Everything under control.
From hundreds of sub-assemblies—
From scores of major assemblies—
These precision-built sections roll into final Assembly.

Day and night ..... Twenty-four hours a day ..... Seven days a week .....
Three hundred and sixty-five days a year ....
Body, bones and wings roll and join into the form of a finished breathing bomber.

Bombers ..... thousands in the air now .....
Tens of thousands on the way.

The motor—raw, naked power—a Niagara of horse power—
John Henry on one wing—Paul Bunyan on the other!

Wires—miles of wires link the nerve centers of the ship.
A giant wing spar protects the cables from enemy gun fire.
She packs guns—so many guns the Army won't let us tell about it—
A flying arsenal—she's the toughest, fightinest ship of her size in air

Here is America strong-hearted—
Keen—aware—alive.

Massive—honest—this wing seems to say,
"You can count on me!"

DAWN FLIGHT

Dawn.....daylight. Over Europe, over Asia—night, black night.
America flies into the dawn.
Bombers for a new day.

"Humanity with all its fears, with all its hopes of future years, is hanging breathless on thy fate!"

She Thinks Colma's Been 'Done Wrong'

(Continued from Page 1)

much larger than in the 1860's. The Colma Community Center houses the County Library, two basketball clubs and occasionally church services. Fraternal organizations meet in Colombo hall and the Colma Volunteer Firemen is a live active group of young men. The town also has a well equipped hospital.

Colma's first citizens were agriculturists and today's citizens are mostly ranchers and nurserymen. The appearance of our town has changed much; the character of its citizens but little.

As of old they are honest, hard working tillers of the soil. They love their homes. They do not like to fight or meddle into other people's affairs. But because they are a simple, quiet folk that mind their own business, don't come to the conclusion that they are dead and that they do not know what is going on about them. Nor are they impressed with Lawndale's secondary reason for voting to change the name of Lawndale to Colma. That romantic sympathy about preserving the name of dear, dying Colma sounds like pure bunk to them.

Old Colma continues to live right on her old stamping ground. She has been stabbed and jabbed —fore and aft— but there's a lot of life in the old girl yet.

P. S. Please give this article as much prominence as the one that killed us off.

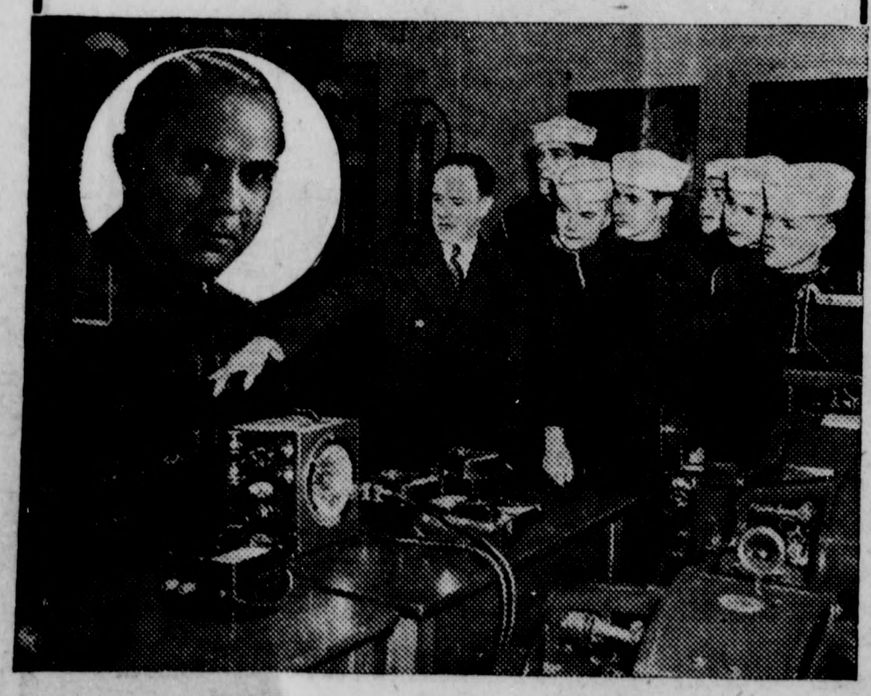
I sincerely appreciate your courtesy in telling me that you would accept this article if it were in by Monday.

Very truly yours,
MARGARET PAULINE BROWN
Colma
November 24, 1941.

"Extra" Coat of White Brushed Wool

WHITE BRUSHED WOOL coat for campus or after-ski wear is the selection of CBS actress Ann Thomas of the "Meet Mister Meek" cast, for the "extra" coat of her wardrobe. Princess styled, with zipper closing, it has a dark green yoke and cuffs trimmed with bright red felt flowers. Notice the small band of white baby lamb about the neck, and her Bacmo red suede and white fur Eskimo mittens. (From Lanz of Salzburg.)

"NAVY TRADE TRAINING GAVE ME MY START" SAYS PRESIDENT, SPERRY CORPORATION



THOMAS A. MORGAN (pictured in insert), president of the Sperry Corporation, world's largest manufacturers of aeronautical and marine instruments, received his early technical training in the U. S. Navy, in which he enlisted as a young man. "This has proved of great value to me in later years," said ex-sailor Morgan. Pictured above are new Navy recruits receiving electrical training at one of the modernly equipped Navy Trade Schools. The Navy offers training to young men in nearly 50 different trades and vocations.

Opportunities for advancement, to learn skilled trades, for travel and adventure are identical whether a man enlists in the regular Navy or the Naval Reserve—and his pay, food, clothing, medical and dental care are the same.

Activity Calendar

WEDNESDAY, NOV. 26

10:30 a. m.—
Regular meeting, sewing group, Mothers club of Our Lady of Perpetual Help school, 601 Hanover street.

1:30 p. m.—
Executive board meeting, General Pershing P. T. A., General Pershing school.

Regular meeting, Capistrano Council No. 2712, Knights of Columbus, Wolf's hall.

To Speak Sunday

Dr. James R. Graham, Los Angeles, will be the guest of Reverend Lionel F. Brown at Grace Presbyterian church, Sunday. He will be the principal speaker at both morning and evening services.

"Dr. Graham is known as one of the greatest missionary-statesmen of our day," said Reverend Brown. He will sail presently for China to take a post in the Chiang Kai-Shek government.

The public is cordially invited to attend the services.

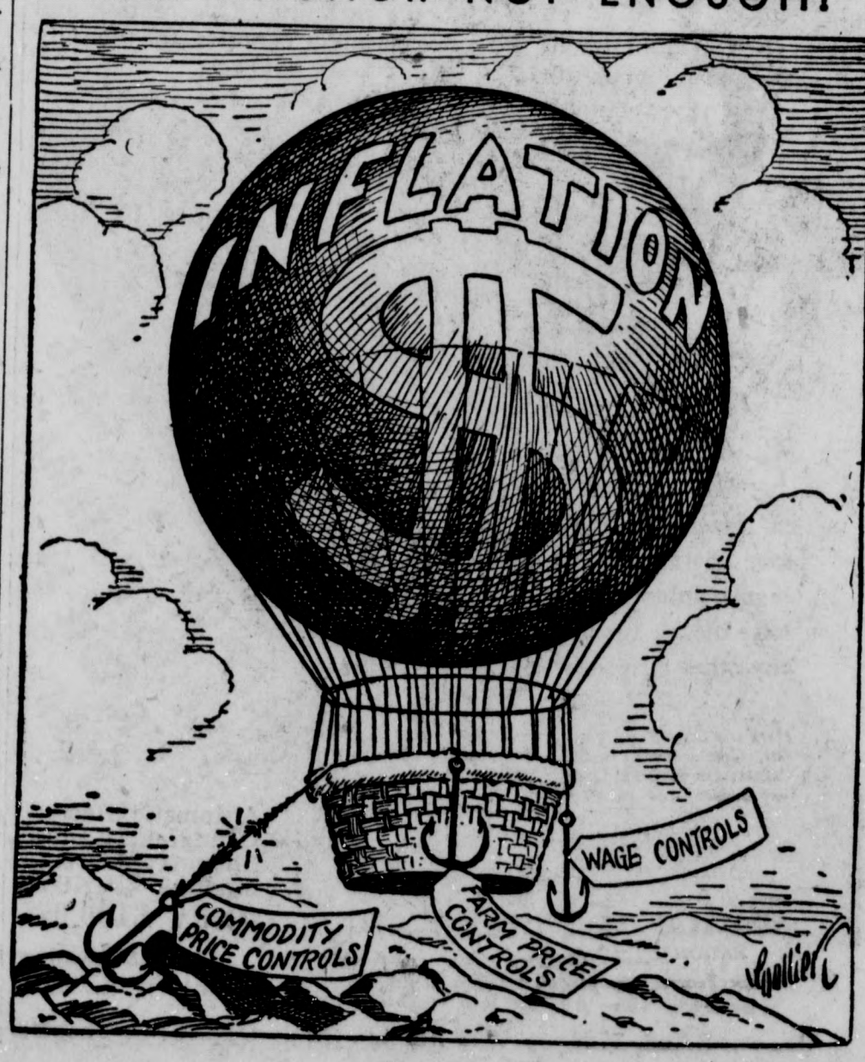
Oldest Going Concern

A World's fair has been held annually at Leipzig without interruption for over 700 years, breaking all records for business longevity. The map of Europe has been repeatedly redrawn, dynasties have risen and fallen, but the fair has remained the one thing permanent. The fair attracts business men today from 74 countries. American participation dates back for a century. The fair includes the newest art and industrial products from 32 of the leading industrial countries.

Oranges in Europe

Oranges were first brought into Europe from China by the Portuguese in 1547.

ONE ANCHOR NOT ENOUGH!



CHRYSLER FOR 1942 FEATURES INCREASED LIFE, DURABILITY

Increased life and durability were the main interests of the Chrysler corporation's engineering staff, when they designed the 1942 Chrysler, now on display at the showrooms of Mission Auto company, Chrysler - Plymouth dealer here, 6465 Mission street.

"In designing the 1942 line," stated A. L. Timossi, "Chrysler engineers were even more conscious than ever that they must achieve a car that would last a long time and one that would operate with utmost economy. This objective, of course, has been brought about by the fact that our industry is faced with a regulated production, and also that every effort must be made to conserve fuel. Chrysler has, of course, long been known for its ability to stand up under the most rigorous usage, but this year Chrysler owners may expect a car that will deliver even longer life than any of its predecessors.

"I think that motorists will be agreeably surprised," continued Timossi, "to see how many ways Chrysler engineers have improved our line. There seems to be a general belief that because of priorities on materials, adjustments might be made which would impair quality. However, it will be apparent to everyone who inspects these cars that in the few cases where substitutes have been made, the material used is in every case of equal quality, and in some instances, superior, to that used in the past.

Timossi pointed out that the front end appearance of the new Chrysler has been largely borrowed from custom-built Chrysler Thunderbolt which was exhibited throughout Northern California some months ago, and which was heralded as the "Car of the Future."

"Similar to the Thunderbolt," said Timossi, "the lower part of the front bumper forms an air scoop that delivers a constant stream of cool air through the radiator core and around the engine. This air scoop not only adds to the rugged looking depth of the front bumper, but also tremendously increases the cooling capacity of the radiator."

Miss Lovi Bride Of Lawrence Bottai

Miss Lillian Ann Lovi became the bride of Lawrence Bottai, South San Francisco, at All Souls church, South San Francisco, Sunday. The ceremony was held at 3:30 p. m. The groom is an employee of Casentini's market, Colma, and is well-known to local people.

The bride was attired in a lovely white satin bridal gown. Attending her were maid-of-honor, Rena Lovi, her sister, and two bridesmaids. Olga Ceguettini and Dee Cerguettini.

The maid-of-honor was dressed in a pale blue satin gown. The bridesmaids were attired in similar gowns of pink satin.

The bride carried a shower bouquet of gardenias and orchids.

Acting as best man was Fred Hersko. Ushers included Danny Casentini and Sil Petrini. Casentini is the son of the owner of Casentini's market.

Following the ceremony a reception was held at Fraternal hall, South San Francisco. Over six hundred people attended to wish the couple happiness. Many Daly City and Colma people were present.

The newly-weds left for a honeymoon in the south. Upon their return they will reside in South San Francisco.

Wrong Training

Colleges continue to train students for jobs that no longer exist, Chester G. Moore, chairman of the board of the Central Motor Freight association, recently told a conference at the University of Illinois. And all the time, he said, jobs as salesmanager, accountants, office managers, solicitors, traffic managers, and tariff experts—in the trucking industry, are going begging.

Nurses

The National Organization of Public Health Nurses is represented by 20,000 trained women who spread the gospel of good health in isolated homes of poor families throughout the United States.

Busy Stork

Joshua Jenkins received a letter from his twin brother, Jonathan of Grand Rapids, Mich., announcing the birth of a son Joshua just had mailed a similar announcement to Jonathan.

Crocker P. T. A. Hears Superintendent Crane

The regular meeting of Crocker P. T. A. was held last Tuesday, at 1:30 p.m. at Crocker school.

Speaker of the day was R. L. Crane jr., superintendent of Jefferson school district. He spoke on "What We Are Doing for Child Welfare."

Mrs. Becker, chairman of the study group, reported on the first aid.

Mrs. Olga Bordson and Mrs. Becker will represent the Crocker unit at the district meeting tomorrow. The meeting will be held in the South San Francisco high school.

The ladies today announced that the last Sew and Sew meeting before their bazaar will be held Friday at 10:30 a.m. The ladies are to meet at 884 Templeton avenue. Following the sewing an executive board meeting will be held at 1:30 p.m.

PERSHING P. T. A. PLANS BAZAAR

Plans are being completed by members of General Pershing P. T. A. for their huge bazaar and food sale. The date has been set as Friday, December 12. The place of the affair and time of opening will be announced by the ladies at a later date.

Mrs. Nora Clifton and Mrs. Ruth Canier will be the two ladies who will represent Pershing P. T. A. at the district meeting, tomorrow. The meeting will be held at the high school in South San Francisco.

Regular meeting of the group will be held Tuesday, December 2, at 2 p. m. at General Pershing school. Mrs. Clifton will preside over the business meeting.

The members will discuss plans for their annual Christmas party. The affair is held annually for the Pershing students.

Swedes First

The Swedes, coming from a log-house country, built the first log cabins in Delaware in 1638. The Pennsylvania Dutch and the early Irish later made them popular.

Perishable Baking Powder

Baking powder is a somewhat perishable product. If overexposed to the air moisture is absorbed. It should be kept in a tightly closed can and in a cool, dry place.

Guard President

At President Roosevelt's party for Washington newspaper reporters, guests who had wandered to the south lawn had a queer sensation when they tried to get back into the Mansion and found the doors locked. Peering through the windows they saw that the brightly lighted Red room, the Blue room and the Green room had been suddenly emptied. Before long, a secret service aide came to explain. The rooms had been cleared to allow President Roosevelt to pass through to his private elevator. Just part of closer guarding of the President since the war has become worse.

No Blackout

Failure to display tail lights on their baby carriages during the blackout cost four women four shillings (about 80 cents) each. They were fined in magistrate's court at Walsall, Staffordshire. The arrests were made after one of the carriages was hit by an automobile.

LEGAL ADVERTISING

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE
No. 8736 - Dept. No. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of JAMES ESTES, also known as JAMES CAMRON ESTES, deceased.

NOTICE IS HEREBY GIVEN that the undersigned, William F. Crosby, administrator of the estate of JAMES ESTES, alias, deceased, will sell at private sale, on the 24th day of NOVEMBER, 1941, at 10 o'clock A. M. of said day, or after said day, to the highest bidder, upon the terms and conditions hereinafter set forth, and subject to confirmation by the above entitled superior court, all the right, title, interest and estate which said decedent had at the date of his death and that which has since accrued by operation of law or otherwise, to the estate of said decedent since his death, in and to all that real property situate in the county of San Mateo, state of California, described as follows:

Lot number one (1) in Block number nine (9) in Vista Grande as shown by the map of the Subdivision thereof filed in the office of the County Recorder of San Mateo County in Book four (4) of Maps, page 41, filed Nov. 5, 1906, San Mateo County Records, original in Book C of Maps at page 35, together with all and singular the tenements, and hereditaments and appurtenances thereunto belonging.

The terms and conditions of sale are as follows: Cash, lawful money of the United States; ten (10) per cent of the amount bid to be paid at the time of the acceptance of the bid, the balance on confirmation of sale by the superior court; the deeds and instruments of title to be at the expense of the purchaser; the purchaser to assume the payment of, and take the property purchased by him subject to all the state and county taxes, and all assessments of whatsoever name or nature, which are now or may become hereafter chargeable to or a lien against the property purchased by him.

All bids and offers must be in writing, and may be left at the office of Gilbert D. Ferrell, District Attorney and attorney for said administrator, Court House, Redwood City, California, or may be delivered to said administrator personally in said county of San Mateo, or may be filed in the office of the clerk of this court, at any time after the first publication of this notice and before the making of the sale.

DATED: November 13, 1941.

WILLIAM F. CROSBY,
Administrator of the estate of JAMES ESTES, alias, deceased.
GILBERT D. FERRELL, District Attorney, and Elinor Louise Falvey, Deputy District Attorney for Public Administrator, Court House, Redwood City, California.

WNU Service United Features

WOMEN'S ACTIVITIES

One day from 10 o'clock until after five, the heads of many women's national organizations met at the Labor Department auditorium.

Miss Eloise Davison, who has been lent to the Office of Civilian Defense by the New York Herald Tribune, and who is in charge of all plans for women's activities, arranged this meeting. I think it was one of the most interesting that I have ever attended.

The speeches given in the morning by the various government officials were informative and interesting, and brought home many facts we need to know if we are going to do constructive work in our communities. I do not feel that we can overemphasize the importance of coordinating all of our resources on a community basis to serve us now and in the future.

* * *

STRANGE REPORT

A strange report comes to me from New England. It appears that volunteers are reluctant to go to work unless they can do some work which is distinctly a war-time occupation. They do not realize that improving social services in a community is basic defense work. Every time any volunteer takes a course in nutrition or child care, and sees that the community as a whole is better fed, she has done something which will be invaluable if we are attacked, and useful in the future as well.

After the meeting, everyone came to drink tea and coffee at the White House and to talk over the day. The consensus was that Miss Davidson had provided a very stimulating program.

In the evening, my cousins, Mr. and Mrs. Douglas Robinson and some other friends, went to see a new play, "Junior Miss." It is light and amusing and I can think of no better way to take your mind off serious matters. In Lenore Lonergan, I am beginning to look for the perfect "enfant terrible." It must be almost second nature for her to play these parts. My only other friend in the cast, Mr. Alexander Kirkland, seemed to me to do his part very well. In fact, the whole cast was good.

* * *

WAVE OF ECONOMY

I received a rather pathetic letter from a woman who runs one of the small specialty shops in New York city. She sells dresses and millinery, and I imagine such things as costume jewelry, bags and accessories of all kinds. She is worried for fear that a wave of economy will sweep over our people and that small businesses such as hers will be ruined.

She says they do not want charity, they want to earn a living, and they want to keep their people at work, many of whom have been with them for several years.

There are undoubtedly going to be economies practiced along many lines, but perhaps these small businesses, as well as bigger ones, will be able to find ways in which they can adapt themselves to the making of certain things needed in defense. They should apply at once to bureaus set up in Washington, under OPM, for the purpose of giving them advice and consideration.

Many of their employees may have to go into defense industries. If we go into high gear in defense production, there will undoubtedly be a shift in the type of employment which many people have, and a more general possibility of employment for people of middle age, as well as for young people without experience.

I hope that no one, for the present at least, will curtail their usual buying, except where it is necessary. The kind of economy which is undertaken because of a vague feeling of fear about the future, is bad psychology for us all.

* * *

STUDENT SERVICE

One day in particular here was very busy. First, at the office, then at the White House. A number of people came to lunch and then back to the office and finally home to entertain a group of people at a reception given in the interests of the International Student service.

I am always amused when certain writers insinuate that this organization must have something wrong with it because I am associated with it. Of course, it existed long before I went on the board, and that board chose their general secretary. Mr. Joseph Lash, before I was asked to be one of their number. The names of those who sponsor this organization and are on the board, should guarantee its complete respectability.

That afternoon, Mr. Archibald MacLeish gave the explanation for his interest in the International Students service, and an interesting talk. This was followed by an account of the work we hope to do in the Washington bureau. Finally, the general objectives and activities were explained, covering aid to refugee students, work camps, conferences on the campuses designed to awaken the young people to an interest in exploring their reasons for a belief in democracy, and to bring together students and faculty in helpful discussions.

GET MORE OUT OF LIFE

by Ida Bailey Allen

When the Committee Meets

NO matter who you are, or where you live, or what you have to do, there's always some way to get more out of life. For instance, the engagement pad says there's a committee meeting at eleven. And who wants to go, for eleven o'clock is that in-between hour when spirits lag and the long wait for lunch seems endless. One astute hostess who heads many important committees realized the reason so many members were late or lacked enthusiasm was because of this morning let-down. So she decided to try an experiment and serve coffee and a light accompaniment at these meetings.

The result was startling. The committee members arrived on time—enjoyed the "coffee and," and dispatched the business with energy and enthusiasm. The coffee was freshly made in a small drip urn and served from an attractive table right in the committee room. And with it was passed an assortment of hot breads, kept hot on a big electric plate warmer. Little coffee cakes, cinnamon buns, fruit and nut muffins and nut fingers were among the favorites. The friendly gesture of this thoughtful hostess could well be extended so that all committees get more out of life.

Nut Fingers

2 cups flour
3 Teaspoons baking powder
½ teaspoon salt
4 tablespoons shortening
2 tablespoons butter
1 egg
¾ cup milk
¾ cup finely chopped nut meats

Sift the dry ingredients; and cut in the four tablespoons of shortening until the consistency of coarse cornmeal. Moisten with the egg, slightly beaten and combined with the milk; mix until blended. Transfer to a board dusted with flour; and roll into oblong shape one-fourth inch in thickness. Divide in halves; spread one-half with the chopped nuts and butter, combined. Cover with the second half; press the edges together; and cut in finger length strips. Transfer to an oiled shallow pan; and bake in a hot oven 400° F. for fifteen minutes, or until brown on top.

House of Cotton

The Farm Security administration is conducting experiments in the use of cotton as a building fabric. A house has been erected in Coffee, Ala., with roof and walls covered with cotton duck. The material is nailed to a smooth backing of plywood, plaster or composition board. It is painted with a mixture of white lead and linseed oil. The cost of such a house, including modern plumbing and electric wiring, is only about $1,350.

COLMA P. T. A. TO MEET DEC. 2

Regular meeting of Colma P. T. A. will be held at 2 p. m. Tuesday, December 2, at Jefferson annex school. Mrs. Walter Worth, president, will preside over the meeting.

It was announced, by the ladies, that a special whist will be held on Wednesday, December 3. All proceeds will go into their treasury.

Mrs. Virginia Ennis will be in charge of the playing at her home, 4 Sullivan street, Garden Village. Playing will begin at 2 p. m. and the public is invited.

There will be a cash first prize along with many other lovely awards. Price of score cards is nominal.

Following the card playing, refreshments will be served by the hostess. Assisting her will be Mrs. Paul Willbanks.

Court St. Mary Meets Tomorrow Night

Court St. Mary's No. 1155, Catholic Daughters of America, will hold their regular bi-monthly meeting tomorrow evening at 8 p. m. The meeting will be called to order by Christine Luebker, grand regent, in Masonic temple.

The group postponed their meeting one week due to the Thanksgiving holiday.

Mrs. Katherine Phelan will be chairlady of the evening. All members are urged to attend as Mrs. Phelan has planned an enjoyable evening for everyone.

MOTHERS CLUB TO HOLD WHIST

A benefit whist for Our Lady of Perpetual Help school will be held by the Mothers club, Friday. The public is cordially invited to attend.

Mrs. May Acevers has been named chairlady of the event. She will be assisted by Mrs. Elinor Byrne and other ladies of the club.

There will be many lovely prizes and the price of score cards is nominal, announced the ladies.

Mrs. Elsie Thomson, newly installed president, announced the date for the organization's annual Christmas bazaar as Sunday, December 7. The bazaar will be held at the school and the public is invited.

Mrs. Thomson announces there will be booths of candy, dart throwing, handmade articles, and many others.

Each lady will be in charge of a booth and the affair will last all day. All proceeds will be added to the fund for the new school.

Bethel 26 Mothers Plan Dec. 3 Whist

Mother's Club of Bethel No. 26, Order of Job's Daughters, will hold a whist party, Wednesday, December 3. Playing will begin at 8:30 p. m. in Eagles hall.

Mrs. Edward Mooney is chairlady and she announces there will be a cash first prize along with many other lovely awards. A door prize will also be awarded.

Price of score cards is nominal and the public is cordially invited to attend.

Most Spinach

Zavala county, Texas, grows more spinach than any other county in the world.

Smart Husband...

He knows there is nothing to be saved by washing at home. His pretty wife means too much to him to have her waste her beauty on a washtub. His act of wifesaving will be appreciated, never fear! This is the kind of gift that always pays big dividends.

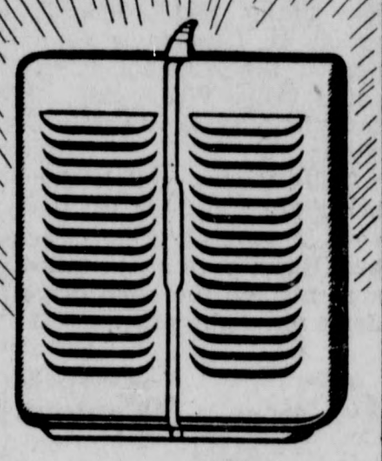
Quit shivering!

PLUG IN AN ELECTRIC HEATER



Of course you can take exercises to get warm. But that means time and energy. Thousands and thousands of Californians quit shivering the easy way. They plug in an electric heater. Quick as "scat" the heat is on. The heater above has a fan that puts out a flood of heat in a hurry. The more you use it the more you like it.

Classes

DANCE

Tickets went on sale for Jefferson's winter dance, Monday. It's going to be a huge success, so better ask the girl friend early. Date of the affair is Friday, December 12.

Frank Feno, chairman of the entertainment committee, announced that the auditorium would be turned into a regular snow scene. The dance has been named the "Sno-Hop" in keeping with the winter theme.

C. S. F.

Betty Inks, Anita Ryan and Harvey Melicker, were the three students sent to the fall council as delegates from Jefferson. The meeting was held at George Washington high school, San Francisco.

Preceding the meeting the delegates were taken on a tour of the school. The school has a reputation of being one of the most beautiful in the Bay area.

During the morning session the group adopted an amendment to the constitution and selected the place for next spring's meeting. Washington high school, Centerville, was selected.

Guest speaker of the day was Dr. Joel Hildebrand, University of California, College of Letters and Science. Theme of his talk was "How Education Hampers Children And Yet They Must Be Educated."

DRAMATICS

The Dramatics class reported that they are beginning work on their annual Christmas play. The date for the production has been set for December 18 at 8 p. m. in the Jefferson auditorium. Price of admission is nominal and the class announced that all proceeds will go to the Red Cross.

The cast will be outstanding and new sets are now being made.

RALLY

After many years of being the underdogs in the big-little game of Daly City, the Jefferson Indians really did themselves up proud at Thursday's game. The pep of the students at the pre-game rally, Wednesday, showed that the boys were really out for scalps.

Tillie Castro, yell leader, and her three assistants led the students in several yells. Coach Albert Biggs gave a pep talk to the students and the band played the Jefferson fight song.

Music

CHORUS

Jefferson's double quartet of mixed voices gave a Thanksgiving program for the students, Wednesday. Singing in the double quartet were: Louis Baciocco and Betty Jeanne Olinger, sopranos; Mary Sue Denton, Ruth Larson, altos; Ernest Anderson, Jerry Lockwood, tenors; Kenneth Hatt and Fred Peters, basses.

The group sang "Thanks Be To God," by Dickson, and "America," by Carely.

Also featured on the program was the high school chorus and a reading by Robert Grimes of the original Thanksgiving proclamation made by George Washington.

INDIANS OF RHYTHM

Members of the Indians of Rhythm made their usual hit, Friday evening, when they traveled to Palo Alto to present a show for the disabled veterans of the Palo Alto Veteran Facility. The group was sponsored at the affair by Daly City Post No. 410, American Legion.

A bus was provided the guest artists by the local post. Accompanying the group was the new instructor, Howard Miguel.

Those taking part were: Ardis Haton, Bob Dyer, Ralph Shinazy, Pat Maracco, Jerry Lockwood, Tillie Castro, Bob Seiler, Curtestine Teal, Art Knight, Louis Sowle, Pat Nolan, Ken Hatt, Daisy Yonan, Laverne Ledesma, Harlan Ferando, and Jennie Giusti.

The band played several numbers—"Sing, Sing, Sing," "Daddy," "Elmer's Tune," and a medley of old songs.

At the exchange assembly with South San Francisco high school, last week, the group added another success to their roster. Taking part in the program were: Hatton, Dyer, Moracco, Yonan, Lockwood, Castro, Ledesma, Teal, Shinazy, Hatt, Sowle, Ferrando, and Seiler.

Sports

SWIMMING

Jefferson placed second in a tri-way swimming meet, last week. Lincoln and Balboa were the two other schools which competed. Final score ended with Lincoln the holder of 41 points. Jefferson had 19 and Balboa 14.

Girls competing for Jefferson were: Helen Oxley, Theresa Falbo, Mary Seidel, Anita Lehigh, and Helen Capps.

Although the meet was held at Jefferson, Balboa girls were the hostesses and served the refreshments.

HOCKEY

Girls of Jefferson met for their last hockey game, Friday. Teams 1 and 2 played 3 and 4.

Score ended up 3 to 0 in favor of team 3 and 4. Rose Marie Carlsen, Sophie Sikeotis and Mary Falbo were the three who scored.

Composing team 1 and 2 were: Bertini, Hill, T. Falbo, Anderson, Ainsworth, Dawe, O'Brien, Agresti, Fasshauer, Blandini.

Sambuceti, P. O'Brien, M. Falbo, Carlsen, Finsterbusch, Maloney, Sikeotis, Sorg, Oxley, were members of team 3 and 4.

In the game played by teams 1 and 2, 3 and 4, Monday, team 3 and 4 came out the victors with a 2-0 score.

Chinese Secret Societies

Police raids on two big meetings in a Canton, China, cemetery resulted in the arrest of nearly 100 Chinese who were suspected of being members of illegal secret societies. The societies hold their meetings at the grave of one of their slain members.

China Silk Industry

The silk industry in China has flourished for 4,000 years.

Campus Fashions

The Sno-Hop is coming up soon, and everyone will be wanting a new outfit. The theme of the dance suggests a nice warm wool frock.

Fashion designers have really gone in for high styles in this year's winter dresses.

A darling for any occasion is the dress with a deep neck-line and a snug little dirndl waist you'll love. They can be had in corduroy, wool and cashmere. The color choice is wide and they are tops in either of the schemes. Darling on a brunette is one styled in cog red, or light blue or hemlock green.

Another lovely frock is a stunning velveteen and plaid combination. The blouse part is made in shimmering black velveteen with collar and cuffs of plaid. The full skirt is made in matching plaid and big bows at the hips add to its chic. This little number is stunning with long or short socks and can be worn to football games or teas.

Just a mite, but every bit of it full of charm is this week's campus Miss. She stands five feet and one-half inch, has beautiful black hair and dark eyes. She was dressed in a darling red and black ensemble which brought out the gleam in her eyes. A perk little red bow was in her hair.

Our little campus queen is a low sophomore, who was graduated from Our Lady of Perpetual Help school, likes baseball, has a pet peeve of wrong color combinations and plans to attend business college upon her graduation.

Miss Elsie Belli is our campus Miss and receives this week's campus bouquet.

More Interest in Sports

Is interest in athletic affairs slackening because of the European war? Not if attendance at baseball games is any criterion. At the Yankee stadium this summer, 84,000 paid to see a game, the third largest crowd in baseball history. And in the Pacific Coast league, Seattle, until June 5, 1 , drew 27,000 more admissions than during the corresponding period in 1939, and Seattle led the league in attendance in 1939. It seems that people want to get away for a couple of hours from the war news in Europe and welcome the opportunity of going to the ball game or playing a bit of golf.

COLORFUL SOUTHWEST IS AT ITS BEST

Now is the time of year when people from all over America are heading for the Colorful Southwest to enjoy the abundant sunshine and the famous winter resorts, dude ranches, national parks and countless scenic attractions. Above is shown Superstition Mountain in Arizona, a giant cactus and one of Greyhound's luxurious new Super-Coaches. Greyhound serves all of the fascinating Southwest over a network of scenic routes, bringing this interesting country within a day or two of Pacific Coast points.

At The District Grammar Schools

At Jefferson

Sixth and seventh grade students of Jefferson conveyed their best wishes for a speedy recovery to both Doris Vallerga and Richard Remillong, by means of letters and flowers. Doris is recovering from pneumonia, and Richard is recuperating from a mastoid operation.

Picture records and the development of picture writing is being studied by the sixth grade. Their significance was demonstrated by a class game.

A lesson in orchestration value was taught to the sixth grade students. The class listened to a broadcast of Ferde Grofe's music and the story of his early life. Many familiar arias were played, and the class joined in the singing of "Home on the Range."

Jimmy Graziani, fourth grade student, transferred to Rockaway Beach school recently.

Jimmy Snowden, third grade student, injured his collar bone while playing at home.

Kindergarten pupils decorated the walls of the room last week for Thanksgiving with red and gold autumn leaves, turkeys and Pilgrim men. Easel painting is another art subject that has occupied the kindergarten for the past few weeks.

Second graders also decorated their classroom for Thanksgiving. They learned songs, poems, and stories about the first Thanksgiving and the Pilgrim fathers.

Jefferson school's volleyball team won another victory last week when they defeated Crocker school by a score of 44 to 33.

Jefferson players were: Raymond Chelone, Norman Stanghellini, Robert Lazzerini, Hubert McDaniel, Robert Heinzle, Evo Martini, Ben Parodi, Roy Bogart, Thomas Wieland, and substitutes Lorrin Martinelli, and Peter Ramer.

At Woodrow

ROOM 12

Two new members were welcomed into Room 12, last week. They were Geneva Cole, Granger, Iowa, and Raymond Mansfield, Shasta, California.

ROOM 14

The class is making jig saw puzzles for the American Red Cross to be given to convalescents in the hospitals.

Thomas Meyer and his family went to Napa to spend the Thanksgiving holiday.

ROOM 15

Sam Aiello spent the Thanksgiving holiday in Berkeley at the home of his grandmother and grandfather.

Donald Coy and Frances Blahut visited their relatives in Oakland last week.

Another Oakland visitor on Thanksgiving Day was Donald Chase who visited friends in that city.

Carol Blakemore went to Merced Falls to visit relatives.

Arthur Rud, accompanied by his mother and sister, visited friends in Albany on Thanksgiving day.

NATIONAL ART WEEK

National Art Week was celebrated in all the seventh and eighth grades in the Jefferson school district, last week.

The celebration was in the form of programs presented by different groups of students in all the classes. The programs were broadcasted over Station ART. The announcers opened the program with the pledge to the flag and the singing of "America, the Beautiful." The following topics were read: "What is National Art Week?", "National Art Week as Celebrated in San Francisco," "Art's Place in Our Life," "National Art Week," "Our Art Advantages in Daly City and Colma." The programs closed with exhibitions of students' art work.

At Crocker

ROOM 2

In studying "Inventions," pupils of Room 2 recently made a trip in the school bus to see a modern dairy.

ROOM 3

Interesting talks were given by students in Room 3 about Switzerland. Lantern slides were used to illustrate the subject.

ROOM 4

John Thornton recently transferred to Parkside school, as his family moved into a new home in that district.

The children of room 4 were shown a film, "Historic Scenes along the Mount Vernon Highway" during their recent social science period.

Columbia Park, Peerless Triumph

Opening the game by scoring five runs in the first inning, Columbia Park Boys piled up an early lead to win over the Daly City Juniors, 9 to 5, in a baseball game at Jefferson field, Sunday.

The Columbia Park nine connected with nine safeties against Daly City pitching, while the Daly City club had to be satisfied with four hits. Daly City scored their five runs in the third, fifth, and sixth innings.

Peerless Laundry defeated Golden Gate U. C. T. council in the first game at Jefferson field, Sunday, by a 10 to 7 score.

The game was a very close contest, and was a pitching duel between Young, winning pitcher, and Ferrigno, Golden Gate pitcher. Peerless hit safely six times, while Golden Gate gained but three hits off Young.

Daly City WPA Recreation department supervised both games at Jefferson field.

Use Sink Stoppers

In dry Oklahoma sink stoppers can be part of a police officer's equipment. When Lieut. V. O. Webb and two other officers raided a home a woman emptied a dishpan of liquid into the sink. Webb quickly stoppered the sink, drained and siphoned out a quart of what he says was whisky. He was carrying the stopper in his pocket.

Florida's Edible Fish

Of the more than 300,000,000 pounds of fish caught in Florida waters annually, little more than one-third are of the edible variety, according to R. L. Dowling, state supervisor of conservation. The non-food fish, mostly menhaden and sharks, are used in the manufacture of fertilizer, oils and novelties, Dowling explained.

Book Wear and Tear

V. J. McHenry, who annually supervises the renewing of the 2,000 library books at the University of California, reports that it is always the first 20 pages of a book that suffer the greatest damage due to the efforts of students to concentrate on them. The middle and the end rarely ever have to be renewed.

JEFFERSON INDIANS WIN THANKSGIVING CLASSIC

Jefferson high's Indians flashed three touchdowns across the South San Francisco goal line in the second half to triumph over their arch rivals of seventeen years by a score of 20 to 6 in the Thanksgiving gridiron festival at South City.

Coach Biggs' Indians ended their 1941 season in a blaze of glory with this victory, displaying more power and speed than they have in any other game this year. After a dismal start, Jefferson high won three of their last four games, and crowned the year with the victory over South San Francisco.

Although both teams threatened touchdowns, the first half of the game was scoreless. Jefferson made a determined drive in the first quarter, but South City's defensive stand halted the march on the Warrior 10 yard line. South City made a definite threat in the second quarter, originating from an interception of a Jefferson pass in midfield. The drive, however, was cut short by the halftime gun with the ball on the Jeff 12.

Jefferson scored the first touchdown in the third quarter when Ferrando, on his own 46 yard line, tossed a flat pass to Huerta. Huerta took the ball on the 50 yard line, snake-hipped through four Warriors, and galloped 50 yards for a touchdown.

The Warriors also scored on a forward pass shortly after the Jefferson touchdown. "Blacky" Bernard, South City's ace back, completed the pass to Sender, a gain of 22 yards. The score was set up when they completed a 20 yard pass to the Indian 44. Bernard, on successive running plays, carried the ball to the Jefferson 22, where he passed to Sender for the tally. South City's try for the extra point failed when Bernard attempted a dropkick.

With the score tied at 6 to 6 in the last quarter, Dyer, Jefferson end, punted out of bounds on the 12 yard line, and South City took possession of the ball. At this point a fumble in the Warrior backfield was recovered by Tatone, Jefferson guard on the 8 yard line, setting up a scoring chance for the Jeffs.

After Jack Rainey gained 3 yards through the middle of the line, Ferrando, on the following play, plunged 5 yards through the left side of the line for a touchdown. Jefferson's attempt at conversion was successful when Faulk place-kicked, making the score: Jefferson, 13; South San Francisco, 6.

The last touchdown was scored in the last few minutes. Ferrando pitched a 13 yard pass to Seiler to the 4 yard line. On the next play, Ferrando faded back and passed to Dyer over the goal line for the third Jefferson touchdown. Faulk again made the conversion good with a placement.

Bob Dyer turned in a standout punting performance, keeping the Warriors in the hole in the second half with his "coffin corner" kicks. One of Dyer's kicks rolled out of bounds inches from the goal line, and two others were also punting feats, going over the sidelines on the South City 12 and 16 yard lines.

Ferrando accounted for a major portion of Jefferson's success with his accurate passing, which resulted in two Indian touchdowns. Huerta and Rainey played stellar games, and were very effective in the running attack.

The only injury that marred the game seriously was to Andriola, Jefferson back, when he was kicked in the eye while tackling Bernard in the last quarter. Andriola, who still has three more years of eligibility, played a brilliant game, especially in defensive play.

Twelve Indians played their last game under the colors of Jefferson high school in the game, Thanksgiving Day. Following is the list: Joe Becker, Lido Christofani, Bob Dyer, Harland Ferrando, Manuel Huerta, Art McCrystle, James Murla, Frank Pensoneau, Jack Rainey, Bob Seiler, John Tatone, and Clayton Underhill.

Colma 'A' Beats San Francisco 'B'

Colma Vista Grande "A" bowlers took a San Francisco "B" team into camp by a 2 to 1 count in the Eagles Peninsula Bowling league, Monday evening.

The "B" bowlers from the Colma-Vista Grande dropped a series to Redwood City by a score of 2 to 1.

South San Francisco and San Francisco "A" teams both registered 2 to 1 victories over the Golden Gate Yankees and the Golden Gate Dodgers respectively in other games.

Alvin Jos. Motors Have Field Day

Alvin Joseph Motors had a field day, Sunday, when they shut the Laundry Workers baseball team out, and piled up a total of 27 runs in a game at Marchbank field.

The winners committed mayhem against Laundry pitching when they blasted out 22 hits in a game that was but seven innings in length. Meanwhile, Francis, pitching for the Alvin Joseph nine, allowed the Laundryworkers but 2 hits, a pair of singles which turned out to be useless.

J. Mattos, Alvin Joseph third baseman, helped the run total when he drove a home run down the left field line with three men on base. In pounding out the 22 hits, the Josephmen also hit two triples and four doubles.

The first game at Marchbank field, Sunday, was more evenly matched, when Federal Outfitting defeated Lachman Brothers' nine by a score of 8 to 2.

Garnering 12 hits, the Federal club scored a trio of runs in the second inning, another trio in the fourth, and added one in both the seventh and ninth frames to win the game.

Lachman's, the losing team, gained a total of nine hits during the game, but, somehow, failed to get but two runs across the plate.

The doubleheader was supervised by the Daly City WPA Recreation department.

REOPEN COLMA BOWLING ALLEYS

Newly decorated and remodelled, the Colma bowling alleys were re-opened this month under new management and ownership.

Bert Baldwin, new manager and owner of the alleys at 7343 Mission street, has been associated with the bowling business for a number of years. Baldwin announces that the six alleys in the bowling center have been resurfaced, complete remodelling of the building has been done, and many other new features were reported.

TRAFFIC COURT

Judge Issues 18 Fines For Speeding

Duard W. Pitts, 27 Hillcrest drive, Daly City, was fined $25 for reckless driving, in traffic court, Friday.

Judge L. G. Hardy, acting judge of the Daly City traffic court, issued eighteen fines for the charge of speeding.

Walter J. Thornhill, San Francisco; Edward Daniel Reed, San Francisco; Laurence H. Egeberg, Palo Alto were all fined $10 each for speeding.

Five fines of $7.50 for speeding were issued to: Francis K. Kennedy, Burlingame; Lydia A. Lindberg, San Francisco; Etta A. Miller, Burlingame; Ralph Maynard Reynolds, San Francisco; and Richard Barron, San Francisco.

Speeding cost the following $5 each: Ross Allen Johnson, San Francisco; Ellis Sapkin, San Francisco; Robert L. Miller, San Francisco; Henry S. McLeod, Mission Auto Court, Daly City; John Barei, Millbrae; Edgar G. Cheverdon, San Francisco; Mattie Mabell, San Francisco.

George J. Mahoney, 169 Shakespeare, Daly City, and Ronald John McLeod, San Bruno, each were fined $2.50 for violating the speeding law.

William Fust, San Francisco, paid a fine of $2.50 for driving through a stop signal.

F. B. I. To Conduct Defense Course

(Continued from Page 1)

ister for the first aid class at the city hall at the earliest possible time.

The first aid course, a standard course, is expected to be enlarged upon and more detailed than usual to fit the needs of the national defense program. Instructors will be approved by the American Red Cross. Local instructors will be used if possible.

Daly City's Disaster Preparedness and Relief committee is also expected to merge with the councils of South San Francisco and San Bruno to serve as a tri-city council, a functional unit designed to co-ordinate their efforts in assisting one another in whatever emergency might arise.

Bodien is encouraging the councils of the other two cities to be represented at the FBI course in San Francisco.

Chemicals in Textiles

Textile fibers, including cotton, linen, rayons, silk and wool, are built up mainly from carbon, hydrogen and oxygen, although silk has in addition some nitrogen, and wool has nitrogen and sulphur.

Nessiers Celebrate Wedding Anniversary

Mr. and Mrs. Herman Nessier, Colma, were the surprised and honored guests at a dinner party celebrating their thirtieth wedding anniversary, Saturday evening, November 8. The gala event was held in the Corinthian room of the Whitcomb hotel. Host and hostess at the affair were Walter and Eleanor Nessier, son and daughter of the honored guests. A turkey dinner, entertainment and dancing were enjoyed.

Mr. and Mrs. Nessier were the recipients of many beautiful gifts. Attending the affair were: honored guests, Mr. and Mrs. Nessier; host and hostess, Walter and Eleanor Nessier; Mr. and Mrs. G. Thiel, Mr. and Mrs. E. Biagini and Albert, Eleanor, and Barbara Biagini, Colma; Mr. and Mrs. T. Lemacher, Mrs. J. Schwarz and Johanna Schwarz, Daly City; Mr. and Mrs. W. L. Nessier, Rodney and Marilyn Nessier; Mr. and Mrs. H. Kelly, Mr. and Mrs. A. Gross, Mr. and Mrs. F. Imsand, Mr. and Mrs. J. Gibbons, San Francisco; Mr. and Mrs. J. Babcock, Manteca; Mr. and Mrs. M. Tabby, Millbrae; Mr. and Mrs. C. Sassmann, and Miss M. Guyton, South San Francisco.

Nessier has operated Nessier's Flower shop on Hillside boulevard for many years. He and his wife have been residents of Colma for more than thirty years.

Council Sells Improvement Bonds

(Continued from Page 1)

council to arrange a date for a meeting with the proposed Tri-city defense council, which includes Daly City, South San Francisco and San Bruno.

Two reports from the health department were read to the council showing violations of health laws in two buildings in Daly City.

The council adopted a resolution authorizing the cancellation of out-dated warrants in an effort to clear the city records.

A resolution was adopted to deliver the deed to property purchased from the city by the Catholic diocese of San Francisco.

The deed involved the property adjoining Our Lady of Perpetual Help school.

An invitation was read to the council to attend the meeting of the League of California Cities next month. A number of city officials signified their intention of going.

The council adjourned after a motion was passed to hold a special meeting next Monday night.

Miss Cain Bride Of Harry Grantham

Miss Irene Cain, former Daly City girl, was joined in wedlock with Harry L. Grantham, Daly City, in the Little Chapel of The Flowers, Berkeley, Friday, November 14. The ceremony was held at 8 p. m. with Reverend Clive M. Saiz, local Jefferson Union high school instructor, officiating.

The bride wore a beautiful white satin bridal gown and a long tulle veil. She carried a white Bible adorned with white satin streamers and bouvardia. A pale orchid rested in the center.

The maid-of-honor, Winnie Gordon, was attired in a white satin gown and a short veil. She carried a bouquet of large white chrysanthemums. The bridesmaid, Margaret Allgier, was dressed in a similar manner, and carried a large bouquet of cream chrysanthemums.

Little Billie Vi Robertson, flower girl, was dressed in a white net gown. A Juliet cap of pearls adorned her hair.

Howard Johns acted as best man and William Grantham jr. as usher.

Following the ceremony, which was attended by more than two hundred friends, a reception was held at the home of the bride.

After the reception the couple departed for a short honeymoon in the Redwoods. The newlyweds are now home to friends at their home in Richmond district, San Francisco.

Both young people were graduated from Jefferson Union high school and are well-known here.

Profits in Modernization

More than 1,000 grocery store owners, members of the Independent Grocers alliance, recently studied a survey on increased profits resulting from storefront modernization with structural glass. It was revealed that average profits increased 30 per cent the first year after modernization and that the average gross receipts rose from $21,050 to $28,628.
